Case Sharing on First Commercial Building to achieve BEAM Plus Provisional Platinum Rating (Existing Buildings) – BEC Headquarters (2nd Intake)

(84102)

BEC Headquarters is the 1st commercial building in HK which has achieved the Platinum Rating of Provisional Assessment under BEAM Plus Existing Buildings 'EB' (V1.2) in 2014. BEC Headquarters implemented a number of green features and practices such as the installation of oil-free variable speed air-cooled chiller and rainwater collection system. In addition, the new version of BEAM Plus EB V2.0 was launched on 24 March 2016. This 3-hour course introduces some essential knowledge of design, planning and implementation for transforming an EB to a certified green building and highlights the major amendments in new version.
