

Indoor Air Quality (IAQ) Management & Improvement (5th Intake)

(85104)

It is well known that exposure to indoor air pollutants can cause very significant damage to our health. We spend over 90% of our time staying indoor everyday. therefore indoor air quality ("IAQ") is very important. This 2-hour course provides essential knowledge about IAQ, e.g. importance of IAQ, health effects due to indoor air pollutants exposure, IAQ management tips, etc. This course is designed for those individuals who would like to learn more about IAQ especially for those responsible for facility or building management in buildings, schools and hospitals.

COURSE DETAILS

Date: 23 Jan 2017 (Mon)
Time: 15:30 to 17:30 (2 hours)
Venue: BEC Headquarters, 77 Tat Chee Avenue, Kowloon Tong, Hong Kong
Fee: HK\$360*

* **Special offer for BEC Member**

BEC member who enrolls before 9 Jan 2017 (Mon) can register with one more applicant without additional charges (i.e. HK\$360 for 2 applicants).

* **Discount for non-BEC Member (Subject to a maximum discount of 10%)**

Early Bird Discount – 5% if you register 3 weeks before the commencement of course.

Group Discount – 5% for 2 or more applicants from the same organisation enrolled for the same course.

TOPICS TO BE COVERED

- Why is IAQ so important?
- How does IAQ affect our health?
- What kinds of pollutants deteriorate IAQ?
- What are the Hong Kong and global guidelines and standards?
- What are the green building standard requirements on IAQ?
- How to manage IAQ?
- How to improve IAQ? What are the latest indoor air purification technologies?

WHO SHOULD ATTEND

This course is designed for those who are responsible and concerned for maintaining good IAQ, such as engineers, architects, contractors, subcontractors, project managers, property managers and administrators, building professionals, health and safety managers, facility managers, environmental or sustainability managers, educational and health care professionals.

About Business Environment Council Limited 商界環保協會有限公司

Business Environment Council Limited 商界環保協會有限公司 (“BEC”) is an independent, charitable membership organisation, established by the business sector in Hong Kong. Since its establishment in 1992, BEC has been at the forefront of promoting environmental excellence by advocating the uptake of clean technologies and practices which reduce waste, conserve resources, prevent pollution and improve corporate environmental and social responsibility. BEC offers sustainable solutions and professional services covering advisory, research, assessment, training and award programs for government, business and the community, thus enabling environmental protection and contributing to the transition to a low carbon economy. For more information in BEC, please visit www.bec.org.hk.

About BEC Institute of Environmental Education

BEC Institute of Environmental Education (“BEC IEE”), a division of BEC, provides a platform for business managers and decision makers, to advance their knowledge and develop the expertise necessary for environmental decision-making. BEC IEE also facilitates professional development by promoting quality environmental education through various environmental education programmes. For further enquiries or assistance, please contact BEC IEE at beciee@bec.org.hk.
