

## INVITATION

# Swedish Clean-Tech Solutions Seminar in Hong Kong October 9 (Wednesday), 2013

We are honored to invite you to a seminar hold in conjunction with the Swedish Minister for Information Technology and Energy, Ms Anna-Karin Hatt, visit to China in early October. The seminar is organized by the Consulate General of Sweden in Hong Kong, the Swedish Trade and Invest Council (Business Sweden), and the Government Offices of Sweden.

Within Hong Kong's ambitions to transform into a low carbon economy, green buildings, waste management and air quality are key areas that have become more prioritized and gained extra attention. Sweden as a country has a strong brand and is well known for its knowledge and experience when it comes to environmental technology and Swedish companies can provide various solutions. The purpose of this seminar is to further strengthening cooperation within Cleantech between Sweden and Hong Kong.

It is our honor to have **Ms. Anna-Karin Hatt's, Swedish Minister for Information Technology and Energy** and **Dr. Christine Loh, JP, OBE, Under Secretary for the Environment, HKSAR Government**, as our keynote speakers at the seminar.

We are also pleased to have **Mr. Mats Denninger, High Representative for the Environmental Technology Cooperation with China**, and **Dr. William Yu, Founder and Chief Executive Officer, World Green Organisation** as our co-moderators of the event.
