

# UPDATES ON SUSTAINABLE WATER MANAGEMENT IN HONG KONG

 17 & 19 September 2019, 19:00 – 21:00

 BEC Building, 77 Tat Chee Avenue, Kowloon Tong, Hong Kong

**Member of BEC / CIWEM / HKIQEP**  
– HK\$800 (HK\$400 for any 1 session)

**Member of Supporting Organisations**  
– HK\$900 (HK\$450 for any 1 session)

**Others**  
– HK\$1,000 (HK\$500 for any 1 session)

Water is essential to sustain life, however less than 1% of all the water resources on the Earth is readily accessible for human use. According to the World Health Organization (WHO), half of the world's population will be living in water-stressed areas by 2025. This training is designed for building and facility management professionals, project managers, engineers, the other professionals and practitioners who are interested in sustainable water management. All speakers are experienced and professional, the participants will acquire essential knowledge on water management.

## About Business Environment Council Limited 商界環保協會有限公司

Business Environment Council Limited ("BEC") is an independent, charitable membership organisation, established by the business sector in Hong Kong. Since its establishment in 1992, BEC has been at the forefront of promoting environmental excellence by advocating the uptake of clean technologies and practices which reduce waste, conserve resources, prevent pollution and improve corporate environmental and social responsibility. BEC offers sustainable solutions and professional services covering advisory, research, assessment, training and award programs for government, business and the community, thus enabling environmental protection and contributing to the transition to a low carbon economy. For more information in BEC, please visit [www.bec.org.hk](http://www.bec.org.hk).

## About BEC Institute of Environmental Education

BEC Institute of Environmental Education ("BEC IEE"), a division of BEC, provides a platform for business managers and decision makers, to advance their knowledge and develop the expertise necessary for environmental decision-making. BEC IEE also facilitates professional development by promoting quality environmental education through various environmental education programmes. For further enquiries or assistance, please contact BEC IEE at [beciee@bec.org.hk](mailto:beciee@bec.org.hk).

## About Chartered Institution of Water and Environmental Management

Chartered Institution of Water and Environmental Management ("CIWEM") is the leading royal chartered professional body dedicated to sustainable management of the environment, globally. CIWEM represents and supports a community of thousands of members and organisations in over 89 countries who are dedicated to improving water and environmental management for the benefit of the public. For more information in CIWEM, please visit <https://www.ciwem.org/>.

## About Hong Kong Institute of Qualified Environmental Professionals

Hong Kong Institute of Qualified Environmental Professionals Limited ("HKIQEP") 香港合資格環保專業人員學會 (香港環專會) was established in 2015 to support Hong Kong's reputation and position as an international leader in environmental management, and in ensuring the quality of work conducted across the growing environmental field in Hong Kong. For more information in HKIQEP, please visit <http://hkiqep.org/>.
