GO BEYOND BORDERS

WHY BEC?

Join a vibrant community of over 300 member organisations and unlock comprehensive support to future-proof your business, elevate your sustainability performance and deliver genuine environmental impact.

Business Environment Council (“BEC”) empowers businesses to strengthen resilience and drive meaningful environmental action through:

- **Exclusive Expert Insights:** Stay ahead of the latest regulatory and industry trends to keep leading the way
- **Direct Policy Advocacy:** Exercise business influence to accelerate green transition
- **Diverse Industry Events:** Foster cross-sector collaboration and build market leadership

For over three decades, BEC has been Hong Kong’s leading and trusted cross-sector sustainability platform. Established by the business sector in 1992 and registered as a charitable organisation under Section 88 of the Inland Revenue Ordinance, we unite government, business and community stakeholders to advance best practices and accelerate the journey toward a net-zero economy.
