

BEC

MEMBERSHIP

To achieve our mission, we continue to invite like-minded organisations to join BEC as members. By joining forces with our members and the business community at large, we not only create a strong coalition for stepping up our sustainable development journey in the business world, but also become a “voice of business” in the environmental arena.

BEC Membership comprise organisations of all sizes across diverse sectors including listed companies, small and medium enterprises, and start-ups. The membership is open to all companies that are interested in learning, sharing or leading sustainable business practices in their operations. As BEC members, companies not only gain BEC as a trusted partner, but can also access a full suite of services and tools.

MEMBER PRIVILEGES & BENEFITS

Stakeholder Connections

- This involves connections with like-minded organisations for collaboration, benchmarking and idea exchange through formal and social events, as well as member-driven committees.

Knowledge Transfer

- This provides access to best practices and emerging trends in the environmental arena from business leaders and visionaries via BEC’s conferences and events.

Environmental Advocacy

- Members are associated with organisations that care about the environment with core values that promote excellence in environmental issues.

Shape Government Policy

- BEC provides opportunities to participate actively in consultations, dialogue and focus group discussions that shape the Government policy agenda to promote Hong Kong’s sustainability and competitiveness.
