

BEC

MEMBERSHIP

To achieve our mission, we continue to invite like-minded organisations to join BEC as members. By joining forces with our members and the business community at large, we not only create a strong coalition for stepping up our sustainable development journey in the business world, but also become a “voice of business” in the environmental arena.

BEC Membership comprises organisations of all sizes across diverse sectors including listed companies, small and medium enterprises, and start-ups. The membership is open to all companies that are interested in learning, sharing or leading sustainable business practices in their operations. As BEC members, companies not only gain BEC as a trusted partner, but can also access a full suite of services and tools.
