

Mr Tom UITERWAAL

Founder and CEO of Reconergy (Hong Kong) Limited

Tom Uiterwaal is the Founder and CEO of Reconergy (Hong Kong) Ltd., active in the Waste-to-Energy industry both in Asia and Europe. The focus of Reconergy is on turning Municipal Solid Waste (MSW) and Commercial Waste into biodiesel and green electricity.

Tom has been active in the Waste-to-Energy industry in Asia since 2008. Before Tom moved to Asia he worked for 12 years with CARGILL, the biggest food ingredients company in the world, in the Netherlands, Belgium and Germany. Tom is also Chairman of the Environmental & Energy Business Council of the European Chamber in Hong Kong.
