

Mr Victor KWONG

*Head of Corporate Health, Safety & Environment and
Chairman of Environmental Working Committee of Towngas*

Mr Victor Kwong is the Head of Corporate Health, Safety & Environment and the Chairman of Environmental Working Committee of Towngas.

Towngas is in a leading position in the energy industry in Hong Kong and greater China region. Towngas have more than 230 projects, including piped city-gas projects, upstream and midstream gas projects, water and wastewater treatment schemes as well as new energy exploration and utilisation ventures as well as telecommunication.

Mr Victor Kwong has more than 35 years of experience in the areas of occupational health, safety and environmental protection. He is responsible for the development and implementation of proactive safety and environmental management systems of the Corporation. He coordinates the corporation's efforts to improve sustainability performance by energy saving, carbon reduction, reduce risks of climate change and promote safety and health of employees, etc.

Mr Kwong is the Director of Business Environment Council for more than ten years. He is also the President of the Federation of Occupational Safety and Health Associations, the co-opted member of CIC Committee on Construction Safety and member of Labour Advisory Board – Committee on Occupational Safety and Health.
